

REACH COMPLIANCE DECLARATION

CMP Products Limited is fully aware and understands the aspects and impacts of the EU regulation on the **Registration, Evaluation and Authorization of Chemicals (REACH)** REACH 209 SVHC List as of 25th June 2020.

CMP Products Limited is classified as a Downstream User. We are therefore not required to register or pre-register any materials supplied, but we are obliged to get confirmation that our suppliers are REACH compliant.

On investigation our suppliers can also be classified as Downstream Users and we have written statements from them that confirm that their suppliers have pre-registered and are therefore REACH compliant.

On this basis the equipment manufactured by CMP Products Limited is REACH compliant and contains no hazardous materials.
